Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a (first class) Marine engineer. I have 25 years of Mechanical engineering experience. I had been working as a marine engineer on ocean going ships and also on ground in the local industry mostly in Punjab.

In shipping my last post was as Chief engineer of ship.

I have also experience of power plants installation & (O&M) mostly for the Natural gas captive power plants.

I have sound knowledge and experience of working with international machinery manufacturers and management of plants.

I like a challenging working environment and very comfortable to work in large engineering set ups.
