Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a masters in English with Honours, both with distinction. I have to my credit some 23 years of working across the country with different boards and curricula including boarding schools, one of the latter being an armed forces one where I worked as a commissioned officer in SPSSC.

I qualified for Pak Navy in BPS -18 as an assistant professor back in 1999, but did not join the job.

I have a flair for writing and composed newsletters, magazines and other write ups as per job requirement other than a meager amount of writing which I very rarely do for myself.

I am interested in reading, updating on international and national scenario and gaining knowledge.

Looking forward to hearing from you soon.
