What job i'm looking for? My positive points

Dear Sir/Madam:

I have over 4 years of experience in different fields including Office Management Project Management, Database, Monitoring & Evaluation, Livelihood and Enterprise Development, Impact Assessment, Research, Community Development & Capacity building and Policy development. Possessing the relevant experience of working in different type of environments in collaboration with varied partners including government agencies, donor organizations and community clusters, I will be able to utilize my knowledge & skills for achieving the goals of the assignment in an efficient and effective manner.

I am currently working as Project officer of Danish funded Project CKU (improved Livelihood through Creative Industries) Pakhtunkhwa region of AHAN (Aik Hunar Aik Nagar) initiative of the government of Pakistan, a company focusing on rural enterprise development through collaboration with rural artisans. It has provided me with an opportunity to work closely with micro & small enterprises and therefore to know the strengths and weaknesses involved in development of this sector. My previous experience along with my current job, collaborating with various development sector organizations and government concerns for community development and community uplift provides me an edge in performing the advertised in a more creative, effective and efficient manner by utilizing my current experience and networking.
