Curriculum Vitae (CV)

What job i'm looking for? My positive points

I want to work in any business organization to recognize my potential and for practicing all of the bookish knowledge that I have read in B.B.A. I want to work in a field and to achieve goals through hard work and by exploring and researching. I learned a lot of management theories and I were taught a lot of skills ,now I want to grab a opportunity so that I can apply all. I managed a lot of events in a University and gained management skills its time to use that skills in actual environment.
